

Happy New Year!

We hope you've had a lovely Christmas. We have a busy term ahead as we will be continuing to support the children with their progress in the **prime** areas—communication and language, physical development and personal, social and emotional development. We will also be working hard on the **specific** areas. In Literacy we will continue with daily phonics sessions to support the children with their reading and writing. The children will bring home their reading books every night except Thursday. They will bring spellings home on Mondays. In Mathematics we will continue with daily lessons and activities to help their children with their understanding of numbers and shapes. After half term we will be having some live eggs in the classroom and the

Robins

Spring Term 2019
