## Happy New Year

We hope you've had a lovely Christmas. This is a very busy term as we continue to cover the Year 2 curriculum and begin to prepare the children for the statutory assessments in May. Your continued support with homework and reading will be very much appreciated. We will begin to focus on rapid recall of 2,5 and 10 times tables too.

Reading will come home every night except Wednesday. PE is on Wednesday but the children need their kits in school every day as they may have sessions on other days as well.

Further information about after school activities and an information meeting about SATs will be sent out soon.

We're looking forward to our visit to the Lowry and a very productive term. Thank you for your support.

Carol Whiting
