Year 6

Let's hope we have a good term!

Spring Term 2019

Class Teacher: Miss Cliff

Teaching Assistants:

Mr Mahon and Mrs Couzins

Year 6 is a very important year for us as it is our last year at Newton Westpark. This newsletter will outline what we will be learning in the Spring Term of Year 6.

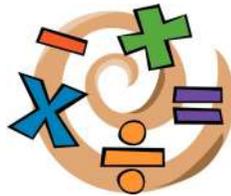

Literacy

We will be revising lots of the literacy objectives from year 6 in preparation for our SATs. The writing genres that we will be looking at are stories, diary entries, letters, newspaper reports and non-chronological reports. Targets will be set from an extended piece of writing they do each week (the Big Write) where the children will be shown ways to improve.

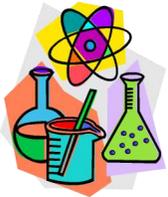

Mathematics

We will be revising lots of the objectives from year 6 to make sure we have an in depth understanding in preparation for our SATs. Arithmetic and problem solving and investigation will also play an important role in numeracy lessons.

Science

The Circulatory System
Evolution and Inheritance

Topic

The Rainforest— We will be learning more about the layers of the rainforest and deforestation. We will also be creating rainforest art using collage techniques and writing descriptions of a journey through the rainforest.

R.E.

How are faith communities represented in the UK?
How do Christians follow Jesus?

P.E.
Hockey/Dance

Computing

Spreadsheets

Blogging

Music

Our music will be linked with our topic.

Homework

Homework will be sent home three times a week.
Monday—Spellings (to be brought back on Friday)
Wednesday—Reading (to be brought in on Friday)
Friday—Maths homework (to be brought in on Monday)
Homework will always be reinforcement of what we have done in class.

If homework is not completed, an opportunity to complete this will be given at playtime the next day.

Reading books will be sent home every day should be brought back the next day. Rewards will be given for children who read everyday.
