

Newton Westpark Primary School

P.E and Sports Grant

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school headteachers.

The 2017-18 total allocation of funding for Newton Westpark Primary School is £17,810 which will be received in two tranches, November 2017 and May 2018. The previous year's Grant was £8800.

How we intend to spend the funding

This funding is ring-fenced and will only be spent on provision of PE and sport in school. In addition to the existing P.E that is provided in school, we plan to use the money to provide the following:

Transport to/from sporting venues

Lunch time and after school clubs including:

- Change4Life
- Gardening Club
- Football
- Dance
- Lets get Cooking
- Play Leaders
- Multi sports
- Netball

Bring in external expertise to work with class teachers to deliver PE lessons. These qualified sports coaches expert coaches will also be used to upskill our Teachers and Support staff in the delivery of quality P.E and Sport. Examples include:

- Premier Sports (see attached impact statement)
- Lancashire County Cricket Board
- Fun Sports 4Kidz – Football
- The School of Military

Membership/Affiliation to a variety of Active/Healthy Lifestyle schemes and programmes and taking part in organised events including:

- Youth Sports Trust
 - Inter Schools Games Events and Competitions
 - Sainsbury's School Games
 - Change4Life
 - Cyber Dance/Animalates
 - John Muir Awards
-
- Increased pupil participation
 - Enhanced, inclusive curriculum provision
 - More confident and competent staff
 - Enhanced quality of teaching and learning
 - Increased capacity and sustainability
 - Improved standards
 - Positive attitudes to health and well-being
 - Improved behaviour and attendance
 - Improved pupil attitudes to PE
 - Positive impact on whole school improvement
 - Easier pupil management
 - Enhanced communication with parents / carers

Additional resources to support sporting and healthy lifestyle activities will also be purchased that will encourage children to become more active.

Impact

By utilising the premium in an effective way there will be a positive impact which can be demonstrated as follows:

PE Provision 2016/17

How we will make sure that improvements in sports participation and attainment achieved during 2016/17 are sustainable?

We have worked hard to maintain and improve our standards and achievements during 2016/17. To ensure continuing sustainability we:

- Maintain very good links with other servers such as Lancashire County Cricket Club and Leigh Centurions as well as local clubs such as the Brunswick Crown Green Bowling Club.
- We have established more links throughout the year and are always looking for more.
- We are working with Premier Sports, The Leigh, Lowton and Golborne Consortium (LLG) and Sainsbury's School Sports to maintain high standards of teaching and ensure that staff development needs are met and that we are up to date with national and local initiatives.
- We have an established extra curriculum provision in place with teams competing in the Leigh Schools Rugby League and Football leagues, LLG and Sainsbury's school competitions as well as lunchtime and after school clubs provided and run by Premier Sports.
- Analytical data is available for review showing the progress made by each pupil and this information is available on the school website by clicking on this [link](#)
- Should the DfE grant funding be removed/changed in the future, strategies are in place to ensure sustainability and levels of attainment including Staff access to training opportunities and continued professional development, investment in high quality equipment/playground facilities that will be fit for purpose for many years to come, support from parents by way of contributions towards travel expenditure to attend after school sporting events.

Key stage 1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations. Pupils should be taught to:

- ♣ master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- ♣ participate in team games, developing simple tactics for attacking and defending
- ♣ perform dances using simple movement patterns. to achieve their personal best

Key stage 2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with

each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success. Pupils should be taught to:

- ♣ use running, jumping, throwing and catching in isolation and in combination
- ♣ play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
- ♣ develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- ♣ perform dances using a range of movement patterns
- ♣ take part in outdoor and adventurous activity challenges both individually and within a team
- ♣ compare their performances with previous ones and demonstrate improvement
