

Reading & Mathematics

Progress and attainment are shown for all pupils. In each group, data is shown overall and for pupils with low, middle and high prior attainment, where prior attainment is overall for progress in reading and mathematics for attainment. Note that attainment tables in RAISEonline show groups based on prior attainment overall. National progress scores for all pupils are zero; other national figures are shown by horizontal bars. For progress, statistically significant differences from national are shaded. For attainment, the difference from national is shown as the number (no) of pupils it represents and is shaded for prior attainment groups. Coverage is shown for each group overall.
