Seesaw – Reception Children Only

This year, parents of our reception children will be able to monitor their child's progress via a new online system called Seesaw. We are really excited about this new system as it will enable our parents to see and comment on their child's class observations almost straight away.

Reception staff will be available at the start and end of the day on Thursday 19th September to show parents how to use this system. If you have any questions or queries, please speak to Mrs Eckersley (Reception Teacher). Thank you.
