

26<sup>th</sup> June 2018

Dear Parent/Carers,

**Internet Safety – Keeping Children Safe Online**

Many of our children are now using computers at home to play games and learn. We want to encourage you to ensure children are supervised at home, especially when accessing the internet and online gaming.

I have attached for your information a list of facts and dangers that children are facing everyday online and general safety tips on keeping your child safe online.

Further information and advice regarding Social Media Apps and Games can be found at [www.itsnotokay.co.uk](http://www.itsnotokay.co.uk), [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) or NSPCC NetAware.

You can download the NSPCC NetAware App that provides an instant overview of all the most popular Apps and lists the dangers associated with each. It also has a useful news update page that highlights current issues and risks.

Thank you for your continued support and co-operation.

Yours Sincerely

Miss V Birchall  
Headteacher
