Face to face discussion  
**DOES**

### Parking

Can parents please be mindful about parking safely and legally when collecting and dropping off children, both at the start and end of the school day. We have received a number of complaints from local residents about parents blocking private driveways and parking on keep clear/no parking road markings. We have also received notification that the local bus company is unable to keep to their timetable due to inconsiderate parking which is having an impact on the local community.

### Life-Education Bus

The life-education bus will be visiting school next week. Each class will have the opportunity to attend a fun and exciting session with Harold the Giraffe. If you would like to find out more about what your child will be doing there will be a parent's session on Tuesday 29<sup>th</sup> January from 9:00am to 9:20am.

### Book Fair

The Book Fair will be arriving in school over the next few weeks. Children will be able to visit and purchase books from Monday the 4<sup>th</sup> to Friday the 11<sup>th</sup> February.

### Headlice

There have been a few cases of head lice identified in one or two of our classes. As most of you are aware, head lice can cause reoccurring problems for children and their families. Can all parents please check your child's hair and if you find any eggs or head lice treat the whole family immediately. Thank-you

### Food for Fuel School Project

Mrs Robinson is working closely with a company called Fur Clemp to introduce a 'Food for Fuel' sale each week in school. This projects aim is to stop produce going to waste from supermarkets and farms in our local area. The trial project will offer food to families at discounted prices and will be available every Tuesday in the school hall between 2:45pm and 3:15pm.

### Class Assembly

The next class assembly will be Year 1 on Wednesday (6<sup>th</sup> February) at 9.00am. Everyone is welcome to attend.

### Learners of the week

# FOOD FOR FUEL SCHOOL PROJECT

We will be selling food produce  
every Tuesday from 2.45pm – 3.15pm  
in the school hall.  
Please come along

This projects aim is to stop produce going to waste from supermarkets and farms in our local area. Giving our parents the opportunity to come along and give a minimum donation for the food on the stall.
